ROCHESTER BOWLING LEAGUE, MARCH 27

Hiller's Garage just about wrapped up the second round of the Rochester Bowling League by knocking over Herbs TV Shop. A record tying 647 single string and a 1776 triple, sparked by Frank Walsh's 375, was too much for the TV operators. Lloyds Market, with Eddie Graham and a 352 as top butcher, cut off any hopes for Dennis Mahoney & Sons in a 2 to 1 match. Hartley Saw Mill kept their slim hopes alive with a 2 to 1 win from Hartley's Garage. Big John Cebula hit 327 for the winners with Freddie Swift matching for the losers. Ray Boyer pinned a 365 for Gibbs Dairy and a 2 to 1 victory over Rounseville Saw Mill (Tony Lopes 359).

CANCER PREVENTION AND DETECTION CENTER

Cancer symptoms too often become apparent in later stages of disease. More than 75% of all cancer can be cured if found in the early stages, officials of the Boston Evening Clinic Cancer Detection Center said recently.

The Cancer Prevention and Detection Center, an affiliate of the non-profit 34-year old clinic at 314 Commonwealth Avenue, Boston, an institution which recently passed its 800,000 admittance, is a public health service dedicated to detect early cancer and precancerous conditions when arrest and cure are most certain. The Center is now accepting appointments by telephone for the next two-month period. These special diagnostic examinations which include laboratory, x-ray and pathological examinations, etc., are made only on Thursday evenings starting at 5:30 P.M. and are available to the general public. Please telephone COpley 7-7171.

"The idea occurred to me when one school's Problems of Democracy class filled out a newspaper reproduction of the questionnaire and sent me the tabulated returns. I was pleased to see that these students had an interest in such matters, and now I would like to encourage other youngsters in the 9th District to study the issues before Congress and participate in the poll," Keith said.

He added he would be interested to see "how the student vote compares with that of their taxpaying parents."

Questionnaires may be obtained by writing the congressman's Washington office - Room 1317, New House Office Building, Washington 25, D. C.

Dear friends,

We have a file of letters of which we are very proud. They are letters of appreciation from individuals and families whom we have served.

In these modern days, few people are willing to pause long enough to pass out a word of appreciation. When they do, it is all the more appreciated.

It is gratifying to be of service...in any calling.

international "flavor".

An International buffet preceded the Girl Scout program and featured were foods of different lands. At the head table an hour-glass represented the first 50 years of Girl Scouting, figures of Girl Scouts and flags of countries having Girl Scouts with large jelly candies as bases served as decorations for all tables. The Girl Scout yellow trefoil on a standard of green completed the decorations of the tables. All persons at the Girl Scout event were presented a realistic paper yellow carnation made by Rochester Brownie Troop 177. All other decorations were made by Rochester Girl Scout Troop 165.

Chairman of the successful event was Mrs. Nathan Lawrence of Rochester, Girl Scout Troop 165 leader, who took over when Mrs. Beulah Lowe of Acushnet, who originally organized the event, was called out of town due to deaths in the family. Over 75 Girl Scout leaders, troop committee personnel and guests were present.

Assisting Mrs. Lawrence with the arrangements were Mrs. Gerard Charest and Mrs. Georgette Otocki, both of Acushnet, and Mrs. Edmund F. Arruda of Rochester.

Mrs. Lawrence opened the program with the audience participating in the salute to the Flag and singing of "America". The Rev. John McCallum of Acushnet Methodist Church gave Grace. The program was turned over to Miss Elizabeth Hastings, principal at Fairhaven Junior High School and member of the American Field Service, who spoke briefly on the foreign exchange student program. Miss Hastings said the program was commenced in 1949 and to date 26 countries have been represented. "This has been a two way program", said Miss Hastings and it has worked out "just fine".

Miss Marisa Rodriguez of Madrid, Spain, who is a student at Dartmouth High School, was the first foreign exchange student to speak. Miss Rodrigues said she was "glad of the chance to be a guest in the United States" and said American people were "much better" than she imagined.

Speaking next was Saysana Songvillay, who is from Laos and is attending New Bedford High School. The young gentleman said what impressed him most was the snow. Saysana told his audience he found the weather "very cold", but found the students very friendly.

The last exchange student to speak was Miss

Rosalinda G. Pelagio of the Phillipines who is attending Fairhaven High School. Rosalinda spoke on the Girl Scouting program in her country and mentioned it is very similar to our scouting program. The exchange student said she found our "weather freezing", but the friendliness of the people of the United States made up for the cold weather. Rosalinda told her audience her departure back to her country will be a sad one but hopes to again visit the United States in the future.

After the three exchange students concluded their talks Miss Hastings asked the audience if they wished to ask any questions. The question and answer period proved both amusing and informative.

Miss Hastings introduced Mrs. August De Mello, recently retired as head of the foreign language department at New Bedford High School, who spoke briefly on the exchange student program. Mrs. DeMello spoke on the Winter program in which students from this area have participated. Continuing Mrs. De Mello cited the advantages in the two-way program.

Mrs. Lawrence requested all troop leaders
